*Jai Jinendra!*

Covid 19 pandemic has significantly affected our lives. We are witnessing an unprecedented situation, which none of us have even seen in the past and probably don't expect to see again in future. In response to the present crisis, we have already put in several significant measures in place in compliance with the directive issued by various agencies and we will continue to step up our efforts in the future as well.

*Jai Jinendra!*

It is a matter of pride to pen down the message for annual JITO magazine. The seed of an idea sown a year ago has quickly come to fruition and the chapter is growing into strong sapling.

**Shri. Bipin Doshi**

*Jai Jinendra!*

My heart fills with immense pleasure as I perceive the progress being made by our chapter. We are confident that as a JITO community, we will take strength from each other as we continue to work together at the time of this global crisis.

*Jai Jinendra!*

Nothing is out of reach anymore - Information, knowledge, instruction every aspect is now just a click away. Technology has allowed humans to be truly boundless. As the country gains a firm foothold in the technology landscape, I am sure we will endow the next generation with every skills and competencies they need to fully embrace the possibilities the future presents.

**Shri. Hitesh Doshi**  
Secretary General

I am sure we all can be a positive influence on someone in a way that could change the rest of their lives.
